

Cooperation strategies Kr S – Grimstad Campuses

Business Economics and
Management

The Numbers

Economics :	30 - 15 Professors
Management & Pol science	11 - 5
Sum	41 - 20 = 61
	Kr S Grimstad jan 2007 (100 %)

Cooperation strategy I : Course planning

- Most Kr S lecturers in Law prefer Grimstad
- Some Kr S lecturers in Economics also (ADS/TH/TB)
- Some Kr S lecturers in Pol Science also
- Some Grimstad lecturers take on priority courses in Kr S (Dag AA on ethics + + Bernt on networks and innovation)
- This can be extended ... (next slide)

Course planning ext'd

- Business Economics courses duplicated can be shared 50/50 to extend the contacts
- Extended guest lectures in other courses
- Share foreign guest lectures (2x or "bussing")

Cooperation strategy II: Research Seminars

- Kr s each Wednesday 12.00 – 13 (econ.)
- Every second week Friday in pol science
- Grimstad ?
- Proposal of coordination officers to have a cross field research seminar with interchanging localities
- "zum Beispiel" every third week in Grimstad? + coordinated with III (next slide)

Cooperation strategy III: "Study circles"

- Background from Bergen 1970- among research scholars in economics to understand the Paul Samuelson classic: Fundamentals of Economic Analysis
- BI 1985 Eric Rasmussen: Games Theory
- Dornbusch – Fischer: International Macroeconomics
- Vernon Kam: Accounting Theory 1990
- Miller: Theory of Finance
- Kaplan & Cooper : Activity Based Costing and Balanced Scorecards 1993

Cooperation strategy IV: Inter colleage research projects

- Writing together
- How to prioritize? Financed by Special Force budgets?

- Economics - management only?

Fields with potentials for synergies

- Economics
- Management & Political Science
- IT and IKT

- Mathematics, statistics, econometrics, finance
- Education (Public school/Preschool)
- Welfare and health (Sykepleie/Vernepieie)

Conclusions

- Extend the existing base on Course planning (not mandatory, but "as you like")
- Select two coordinators to discuss a common research seminar /study circles
- Further discussions on how to develop and finance and promote intercolleagial and inter field research projects
